---

01/10/2014 – 31/12/2020 – Latakia City., Latakia, Syria

### **Bachelors in Software Engineering – Tishreen University**

<http://tishreen.edu.sy/>

## ● PROJECTS

---

### **Arabic Stemmer**

<https://github.com/NourAlhadi/StemmerPackage>

<https://packagist.org/packages/nouralhadi/stemmer>

First Arabic stemmer Laravel package implementing ISRI algorithm (Uploaded to Packagist).

### **Right Now News**

<https://github.com/NourAlhadi/RightNowNews>

News agency built with Symfony Framework 3.3 which was made as a university project and rated as 93%.

### **El-Movies**

<https://github.com/NourAlhadi/El-Movies>

A web app built with Symfony Framework 3.3.

### **El-Music**

<https://github.com/NourAlhadi/El-Music>

A web app built with Django Framework

### **El-Photos**

<https://github.com/NourAlhadi/El-Photos>

A web app build with Codeigniter 3.1.9

### **El-Countries**

<https://github.com/NourAlhadi/El-Countries>

<https://el-countries.herokuapp.com/>

Basic Info about countries (we may need it somehow) (Angular 8).

**Deployed to Heroku:** please consider the waiting time on first call because of Heroku's free dynos.

## ● HONOURS AND AWARDS

---

### **Regional Finalist Twice – ICPC Foundation**

I've participated in the ICPC (International Collegiate Programming Contest) during my university studies and managed to collect multiple awards including medals, and managed to participate in the regional finals twice.

<https://icpc.baylor.edu/ICPCID/202NMMPECMUX>

### **Regional Finalist Twice – Cyber Talents**

I've participated in Cybertalents CTF contest in the years of (2019 / 2020) and managed to qualify for the regional finals during my two participation but couldn't attend due to visa issues.

<https://cybertalents.com/members/NourAlhadi/profile>

### **Extreme Programmer Award – ICPC**

The Extreme programmer award is given to the team who manages to solve the first problem in the entire contest which is one of the hardest awards that need a full focused programmer with attention to details.

<https://icpc.baylor.edu/ICPCID/202NMMPECMUX>
